Grand Knight's Column

From your Grand Knight:

Greetings Worthy Knights and Ladies', as you are reading this article it is the last time I will be doing the writing for it, as we just had election of new Officers for the coming Council Year. So congratulations to the **New Grand Knight Lawrence (Larry) Fouts** and his slate of officers. It has been my Honor and Privilege to have had the opportunity to serve you these last 2+ years and without your support it would not have been as successful as it has been. I ask that you continue to support those coming into office with the same commitment you gave me.

This last month was quite busy as we had election of Officers, Clergy Appreciation Dinner and the celebration of Father Richard Fleishman's 50th year as a Priest. Thanks to everybody who made these events a great success. If you could not make it to Father's party please take the time when you see him and give him congratulations and thanks for his dedication in serving our Lord and God! His continued guidance and commitment to Council 722 makes each and every one of us a better person as we interact in our daily Family life, Church, and Council.

As I finally reflect on these last couple of years all I can say is "what a ride" and thanks for all the new friends I have made, it's bitter sweet and yet as I move from one phase of my life to another, I also am looking forward to what new opportunities await me.

SUMMER PRAYER

Father, Creator of all, thank you for summer !. Thank you for the warmth of the sun, thank you for the beauty I see all around me and for the opportunity to enjoy Your creation. Thank you for the increased time I have to be with family and friends, and for the more casual pace of the summer season. Draw me closed to You this summer and always ! Teach me how I can pray no matter where I am or what I am doing. Warm my soul with the awareness of Your presence and light my path with Your Word and Counsel, Truth, and Wisdom. As I enjoy Your creation, create in me a pure heart and a hunger and thirst for You. Amen.

Pope Francis' Prayer Intentions for June

Vatican City, 1 June 2018 (VIS) – The Holy Father's prayer intention for June is Universal: Social Networks: "That social networks may work towards that inclusiveness which respects others for their differences."

Chaplain's Column

Brother Knights and Families,

IN APPRECIATION

A big thank you and God's blessings to Sir Knight Fran and Lady Knight Jackie Goettl, Fr. Joseph Dominic (Pastor of Blessed Trinity Parish in Sheboygan Falls and St. John the Evangelist Parish in Kohler), and my special friend Pat for planning my special 50th Anniversary celebration Mass at Blessed Trinity on May 19th at 4:00 PM. Another big thank you to the 11 KC Honor Guard members, Fr. Joe, senior retired priests Fr. James Ernster and Fr. Guy Gurath, Deacon John Gavin, and the choir for making the Mass a memorable experience. Jackie and Pat also planned the Open House which was held following Mass at the KC Center. They also surprised me by contacting my Aunt and 1st Cousins in the Hilbert and Appleton area. Also in attendance were friends and 5 teachers from the parish school in Fredonia (my last assignment). I had no input on who was invited. I thank all those who gave me any type of a gift. You never know how much people truly appreciate what you do until there is a major event! At the Blessed Trinity Festival on Sunday, May 20th, many parish parishioners commented on the large number of Honor Guard members and the dignity they brought to the celebration. Happy and a Blessed Father's Day to all fathers, grandfathers and father like people in our life. As we remember our deceased fathers, let us pray that we follow their good example. Pray the summer prayer at least weekly. Take it with you when you travel and pray it with your friends, if they let you!

Have a relaxing and blessed summer. See you at the A'S picnic and the September meeting.

Fr. Dick

Fourth Degree News
From Your Faithful Navigator

Sir Knights and Ladies,

Sincere thanks to all our Veterans for their Service to our country and to the families of soldiers who gave their lives for our freedom.

Congratulations to the officers who were elected at our last Assembly meeting. Special thanks for allowing me another year to serve as your Faithful Navigator. The first year was a great honor and learning experience. I sincerely thank my wife, Jackie for her continued support and patience with all the Knight's activities. We are grateful the Knights have become an extension of our family. I am confident the next year will be a continued success with support from the Assembly.

In May the Assembly was able to participate in Fr. Dick's 50th Jubilee. Thank you Father!

On Corpus Christi Sunday, Holy Name Parish held a Eucharistic Procession from Holy Name to St. Clement Parish. Our Color Corps was able to participate in both events and was eagerly received with their vibrant colors!

Installation has been set with District Master Larry Ziarnik. The Installation will take place the same evening as our June Dinner Meeting.

Plans for Wednesday, June 20: Social 5:30; Installation at 6:30pm. Dinner will follow at 7. Two Scholarships will be presented and a donation from Assembly 1204 will be presented to Jackie Drewery from Anchor of Hope to continue their life-saving and life-changing work.

There will be assembly articles for July and August, but we will not meet formally until September.

In Service to Jesus our King,

St. Elizabeth Ann Seton – Physical Education May 2018

In the month of May at Seton, we were honored to have a local community member named Joe Raflik stop in and teach the students about the cultural dance of Polka. Many of the students had a blast learning from Joe and each and every student did a wonderful job throughout the dance unit. Many of the students were amazed to learn that Mr. Raflik is in his seventies and still enjoys living an active and healthful lifestyle. In fact, Mr. Raflik will frequently Polka dance for more than six hours at a time in various locations around the state such as Stevens Point and Pulaski. Our students loved having the opportunity to learn about Polka and many have inquired about continual learning.

Christ Child Academy

May has been a fleeting month for those of us here at Christ Child Academy! We started the month with our traditional May Crowning and Grandparents Day mass. This year we added a craft project that Grandma and Grandpa got to complete with their grands. These were donated to Project Angel Hugs for distribution to children in the area suffering with cancer.

Grade 5 completed their service at the SPC food pantry this month, completing eight months of service shared between grades 5-8. This partnership proved to be a good one, and we look forward to teaching our kids through this service again next school year.

Our middle schoolers participated in the Parochial School track meet at South High School, where they took 3rd place overall. Our new P.E. teacher, Mrs. Hyland, really prepared the students well to compete in this fun annual event.

CCA middle schoolers also prepared and led the entire student body in praying the Living Rosary in Immaculate Conception church on May 18. Students were assigned a bead and stood arranged in an actual rosary shape, for this visual and interactive all school prayer.

Switch day is another May staple at Christ Child, where the students in PreK-5 spend a portion of the morning in their new classrooms for next year. It is an exciting time that allows each grade to meet their new teacher and get a feel for the upcoming year.

May also saw Matt Schaefer, a former CCA graduate, and current meteorologist for ABC affiliate, WQOW, in Eau Claire, pay a visit to the 8th grade Science class. The kids had just completed a unit on climate and weather, so Matt's visit was timely and entertaining. He shared anecdotal stories from his adventures in storm chasing, several experiments, and information on training and education needed to be a meteorologist. The students were very impressed with Matt, his knowledge and very "punny" sense of humor. Our 8th graders are excited to depart on the annual class trip to Chicago, on June 5 and 6. They will celebrate their graduation mass on Thursday, June 7, at 6 in the church. We will all miss this awesome group of young adults. God's blessings as they enter the next chapter of their lives. Our pre-schoolers enjoyed their yearly visit to "the farm," where they got a first hand look at cows and the milking process.

First graders had their annual Ocean Party, which is the culmination of extended study of the world's oceans, organisms, and human impact on them. They got to wear their beach clothes and play games and eat ocean themed food out on the playground. Fun!

As we wind down the year, the kids look forward to our annual yearbook signing and ice cream celebration, as well as our incentive day to Camp Y-Koda, for all those students who met academic and behavioral goals.

It certainly has been a busy, productive and faith-filled year here at Christ Child Academy! We will end our studies on June 8th this year, with a closing mass of celebration, and a school carnival. Thank you to all for your ongoing and continued support of catholic education. Prayers and best wishes for a safe and fun-filled summer break. "See" you in September!

God's Peace,
Melissa Raff

Planned Parenthood Returns to Sheboygan

By: Tom Luke

On Wednesday, May 16, six members of Sheboygan's pro-life community joined me in a one hour prayer vigil on the sidewalk outside Planned Parenthood's new facility at 909 S. Taylor Dr. We met at 3:00 p.m., the hour of mercy, and prayed the Chaplet of Divine Mercy, followed by the Joyful, Sorrowful, and Glorious mysteries of the Rosary.

I would like to invite fellow Knights to join me in a regular, perhaps weekly if possible, hour of prayer outside the Planned Parenthood facility. My family has participated in these outside their old facility on Kohler Memorial Drive.

Please e-mail me at tluke@charter.net if you are interested. Planned Parenthood cannot be allowed to abort babies in our community without a cry of prayer to our Lord for justice and mercy being offered in response by those committed to the culture of life.

I hope to hear from many of you.

bowling, Bowling, BOWLING!

On Palm Sunday weekend, 5 Knights from Sheboygan entered a veritable bowling Jerusalem at Opi's 5 Star Lanes in Plover, Wisconsin for the 101st annual KC Wisconsin State Bowling Tournament. Among the knights in attendance were the organizer Jim Raff, Larry Fouts, Jeremiah Rauwerdink, Bernardino Castillo and Bruce Timm. Bowling prayers were said and then the gentlemanly art of kegling took place. Taking high honors that day was Bernardino Castillo with an all-time personal best game of 213 followed by Jeremiah's 212 high game. Larry Fouts had a great overall series and Jim Raff had the best day of all since it was his birthday. Mass attendance for Palm Sunday services was at the beautiful St. Stephen's church in Steven's Point.

This year's bowling team in the KC State tournaments continues the tradition begun following the KC State Tournament held in Sheboygan in 2008. The 2019 state tournament will be held in Green Bay. Talk to Brother Knight Jim Raff if you want to join the fun and camaraderie.
