## Community Picnic

A church had a picnic and invited the entire community to come. The Pastor placed a basket full of apples on one end of a table with a sign saying, "Take only one apple please - Remember that God is watching."

On the other end of the table was a plate of cookies where one of the children had placed a sign saying, "Take all the cookies you want -- God is watching the apples."

**Please help support the Ladies at our next Burger Night on October 15th**

Like every other organization, the last several months have impacted our own KC Ladies Auxiliary.

Back in March we had to cancel our Spring Souper Bowl fund raiser. Then 6 months of inactivity followed because of health department guidelines. Our Auxiliary held their first fund-raising event at the September 17th Burger Night at the KC Center. We sponsored a bake sale and two 50/50 raffles. We are back in business! Please continue to support us through the smaller events we are able to have during this time.

Our 2021 Spring Souper Bowl Event is tentatively scheduled for March 21st. Let us all hope we are in better times by then.

Some of the more recent recipients of the Ladies Auxiliary charity donations include Our Lady of Good Help Shrine in Champion, WI, Meals on Wheels, and the Shaw Family Playground.

Thank you everyone!

## Grand Knight's Column

From your Grand Knight:

Hope all is well on the home front with the bug that is still on the loose. Always keep the power of prayer each and every day. We would like to say the rosary at 6:30 on each meeting night. I would like to pass along a big thank you for the time that each person put in on our tootsie roll drive. As a closing note, on October 31 Fr. Michael McGiveny, our founder, will be beatified during a special Mass at the Cathedral of St. Joseph in Hartford, Connecticut. God bless and have a fantastic week.

Vivat Jesus,  
GK Mike Johnson

### Operation Archangel

For the past few years, the Sheboygan parishes and Assembly 1204 councils have held "Operation Archangel" a drive to raise funds for the Catholic Chaplains at the Milwaukee VA to care for our Veterans. This year, with parishes and councils dealing with the COVID pandemic, much fundraising has paused.

We were overjoyed to hear from the Human Concerns Committee at Holy Name parish that they will be donating \$500 for the Catholic Chaplains at the VA Center. Our sincere thanks to Holy Name parish for their generosity.

Operation Archangel Chair SK Fran Goettl

### Pope Francis' Prayer Intentions for October

Vatican City, 1 October 2020 (VIS) – The Holy Father's prayer intention for October – The Laity's Mission in the Church "We pray that by the virtue of baptism, the laity, especially women, may participate more in areas of responsibility in the Church."

## Chaplain's Column

Brother Knights and Families,

I was hoping that the COVID-19 would be better than it has been since March. We still need to comply with guidelines set up in each state. We have added more week-end Masses, with the hope that attendance will increase. We still have need to continue wearing a mask and sanitizing our hands at all times of the Mass. Schools opened, but immediately had problems with positive cases of the virus especially on college campuses. Workers and residents at health care facilities are still at a greater risk.

What is your attitude toward racial injustice? Whether you agree or disagree with the gravity of it, as a Christian we must pray for and act with justice toward all human beings. The slogan "Black Lives Matter" has now been applied by some to "All Lives Matter". The Brewers, Bucks and Packers have showed their support by cancelling games and practices. Nationwide, other teams followed the same example. How do we show support for racial equality? How do we show support for "40 Days for Life?" Like me, you may not feel comfortable walking, but do you pray for the effort on a regular basis? The month of October is dedicated to Our Lady of the Rosary and Respect for Life at all stages. I think through all of this, God is telling us "Be Patient". Also another virtue "Have Faith".

**Faith takes you through the problem.  
Faith doesn't always take away the pain,  
Faith gives you the ability to handle the pain.  
Faith doesn't always take you out of the storm,  
Faith calms you in the midst of the storm.  
Amen**

Think about this. Only you can answer it!  
How strong is YOUR FAITH?  
Hope that we will see many of you at the meetings and activities this year,

Fr. Dick

Fourth Degree News  
From Your Faithful Navigator

Sir Knights and Ladies,

It is an unusual time in our lives right now and we all are wondering what does the future hold for me, my family, my friends, my country. We have all been inundated with news about riots, protests, BLM, white supremacists, and on top of all that now we have an election for our nation's president and a Supreme Court vacancy which will alter our future.

At last month's mass before our Assembly dinner meeting, Deacon Pat Knier gave a great homily that really has stuck with me and I have tried to share a few times. When he was talking about love, what does it mean, love of our neighbors, and a world without love, it really made me sit back and reflect on the items in the above paragraph. In our last session of TMIY we discussed the freedom that God has given us. The freedom to listen to God or not, pray to God or not, believe in God or not. Our nation, "one nation under God," has also granted us freedom. Freedom of speech, freedom to bear arms, etc. Have we taken our freedoms too far? Did we forget what true freedom is?

*"True freedom is a wonderful gift from God, and it has been a cherished part of your country's history. But when freedom is separated from truth, individuals lose their moral direction and the very fabric of society begins to unravel. Freedom is not the ability to do anything we want, whenever we want. Rather, freedom is the ability to live responsibly the truth of our relationship with God and one another. Remember what Jesus said: "you will know the truth and the truth will set you free" (JN 8:32) Let no one mislead you or prevent you from seeing what really matters. Turn to Jesus, listen to him, and discover the true meaning and direction of your lives."*

-St. John Paul II

God Bless. Stay safe.

Pray for those on the front lines- doctors, nurses, paramedics, EMT's.

Tim Woodworth, Faithful Navigator

**Saint Michael the Archangel,** defend us in battle. Be our protection against the wickedness and snares of the devil; May God rebuke him, we humbly pray; And do thou, O Prince of the Heavenly Host, by the power of God, thrust into hell Satan and all evil spirits who wander through the world for the ruin of souls. Amen

## Campus Corner - CCA

The school year is off and running at Christ Child Academy! We have just completed our fourth week of in person instruction. Although this year certainly looks different, we are thrilled to be back together to learn and grow as a faith community. Our current enrollment is 138 students. We are looking forward to a faith-filled school year!

Christ Child Academy has released the reopening plan for the 2020-2021 school year which can be found at [www.ChristChildAcademy.com](http://www.ChristChildAcademy.com). This plan is the overview of our alignment guided with the support from the Archdiocese of Milwaukee, Wisconsin Department of Public Instruction, Sheboygan County Health Department and the Centers for Disease Control and Prevention (CDC). CCA has all intentions of starting the 2020-2021 school year on September 1st and students will be in school 5 days/week for in person learning with safety and disinfection guidelines in place.

MAP (Measures of Academic Progress) testing for grades K - 8 was held the week of September 21. MAPS is a computerized adaptive test which helps teachers, parents, and administrators improve learning for all students and make informed decisions to promote a child's academic growth. All students in grades K-8 were tested to track their academic growth.

It is great to have the students back in school! The last three weeks, our CCA family celebrated Mass on both Wednesday and Thursday. Grades 5-8 attend Mass on Wednesday and grades K-4 attend on Thursday. The students are celebrating mass separately this year to accommodate appropriate social distancing in church. What a blessing to be back in church together as a family in a safe and clean spiritual environment.

As we progress into this unpredictable school year, we continue to evaluate our COVID-19 mitigation strategies to ensure we are providing the safest learning environment while adjusting our instructional techniques to maximize teacher effectiveness and student learning.

We continue to expand our Chromebook utilization within our school as students in grades K-8 have each been assigned a Chromebook for use at school.

Christ Child Academy is accepting nominations to fill one position to serve a three year term on the CCA Governance Board. Nominations are due by October 1. If you are interested in joining the board or would like to nominate a candidate, please email or call Board President Anthony Van Asten at [avanasten@stlawrence.edu](mailto:avanasten@stlawrence.edu) or (920)-980-9971. Governance members do not need to have students at CCA. Nominees just need to have a passion to help our Catholic school grow and be a member of one of the southside parishes.

In peace,  
Respectfully submitted,  
Melissa Raff  
Middle School Math/ Science
